ABOUT ME

Design With Purpose, Creativity With Passion.

I'm a designer driven by curiosity, creativity, and clarity. I craft intuitive interfaces, striking visuals, and cinematic edits that bring imagination to life.

Completed B.E. Computer Engineering (Final Semester Appeared) at Rajendra Mane College of Engineering and Technology with CGPA: 8.07

I blend technical insight with artistic vision to design experiences that both look and feel right.

EXPERIENCE

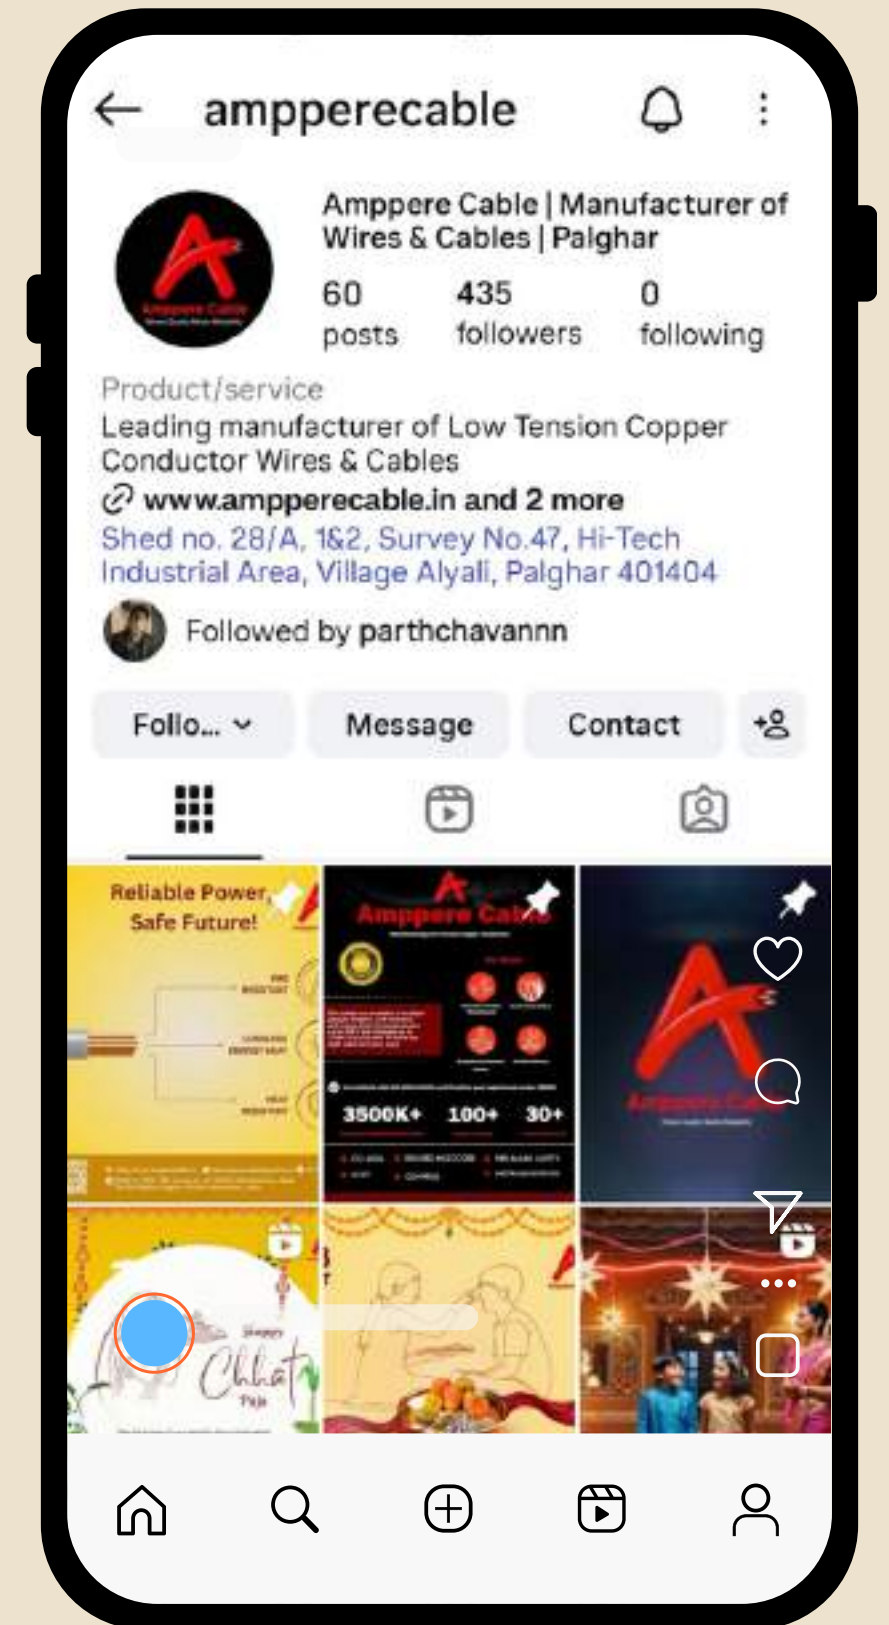

Work

● Social Media Creatives (Instagram, LinkedIn, Ads)

Designed promotional posters, festive posts, and event graphics to enhance brand presence across platforms.

Tools: Adobe Photoshop, Adobe Premiere Pro, Adobe Illustrator, Canva

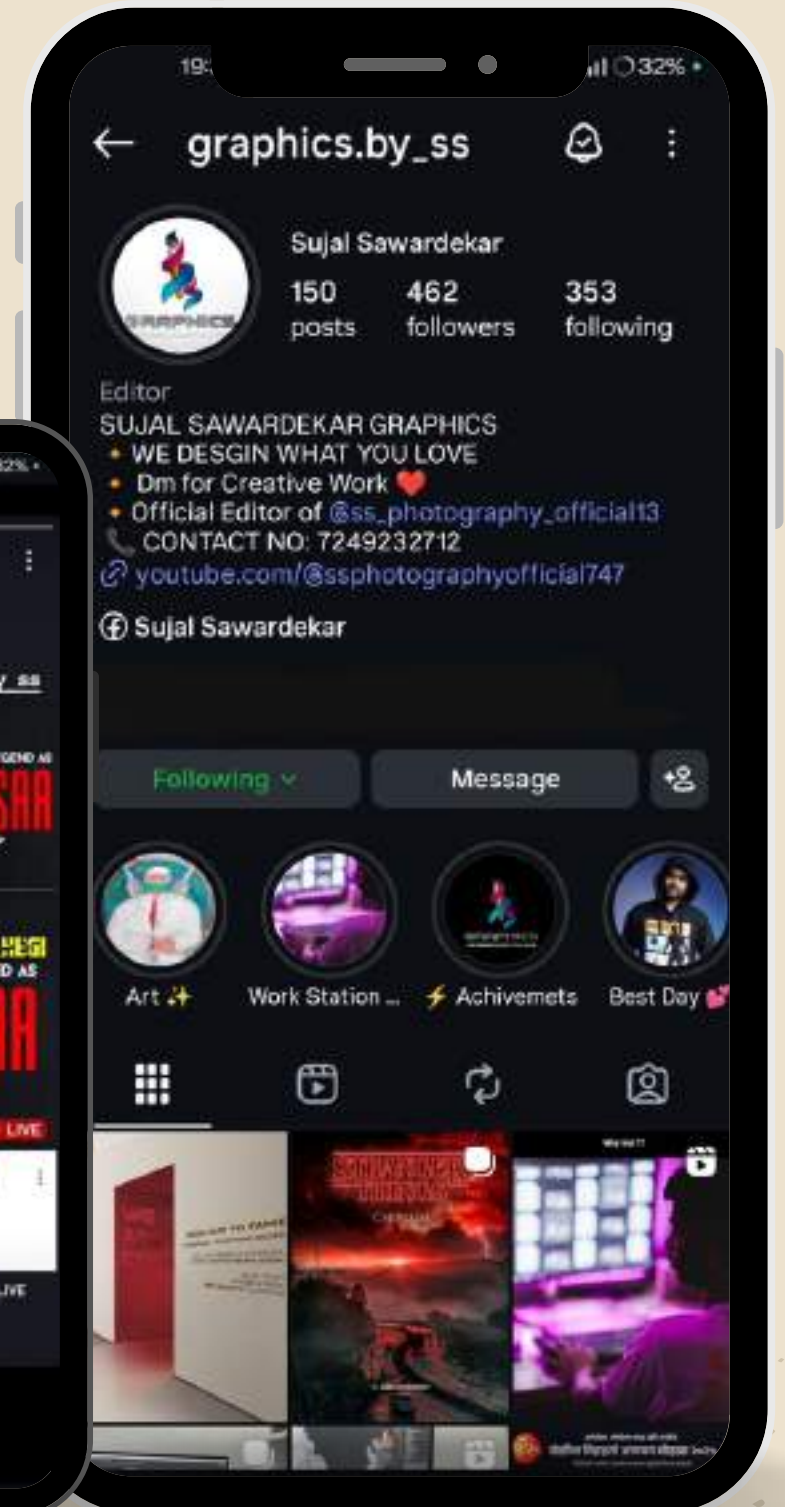

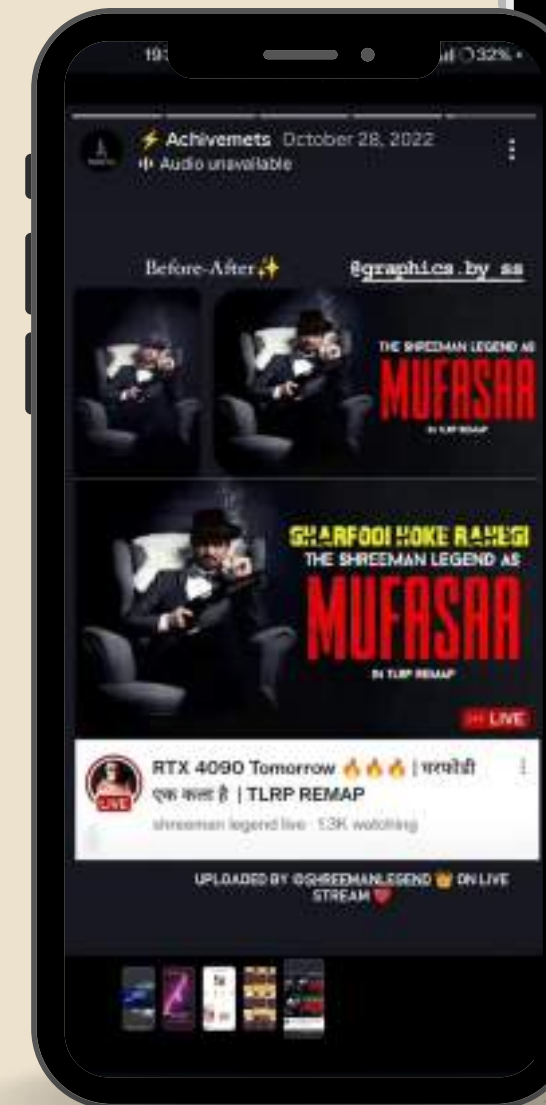

● Logo Design & Brand Identity

& Many more

● Posters, Banners & Marketing Collaterals

● Thumbnails & Visual Assets

Visual Design Showcase

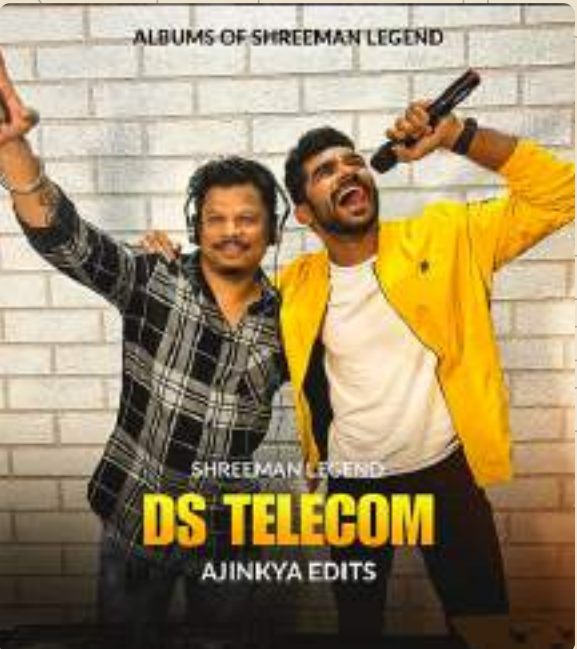

SHREEMAN LEGEND

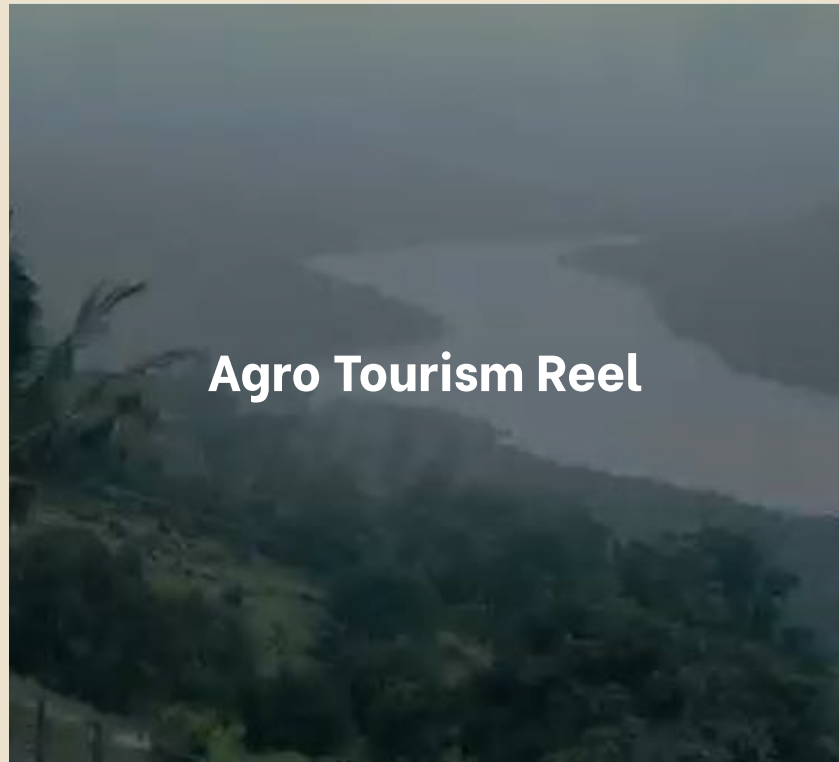

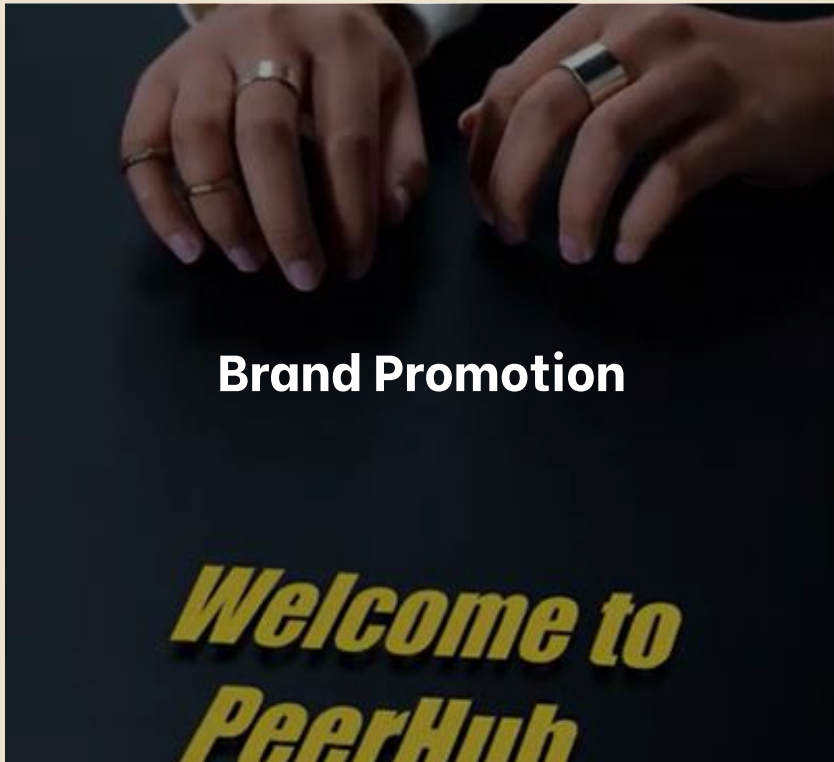

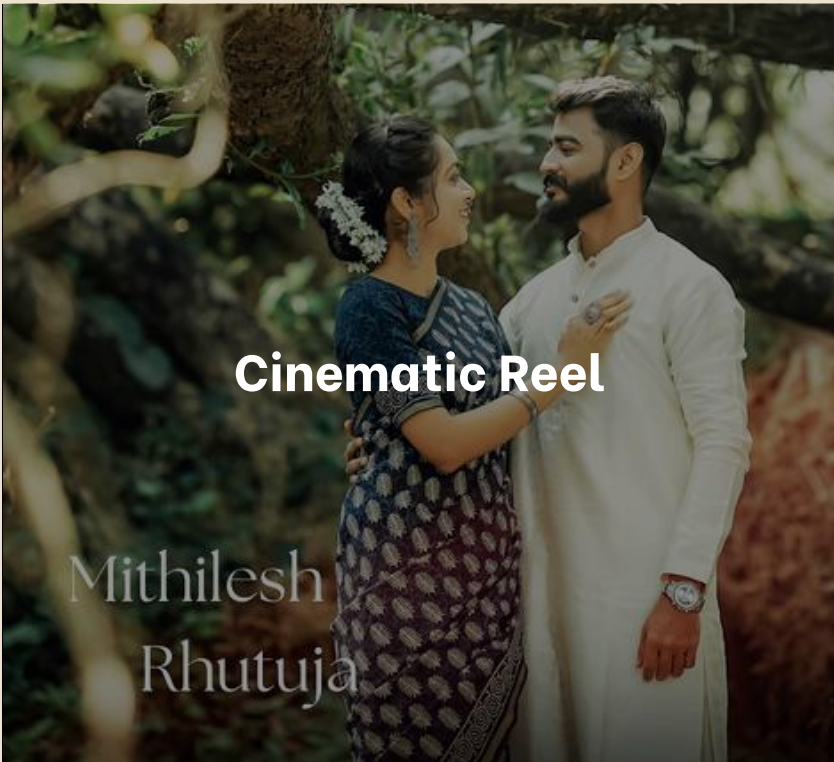

Featured Creator Collaboration

Thumbnail featured on a live stream by gaming creator “**Shreeman Legend**”.
Designed a music promotional poster for the same creator with a consistent visual style.

Video Editing & Cinematic Films
